

Salon Sleek Hair...

Every Single Day.
In the time it takes to floss

Bio Ionic®, the pioneer of natural ionic technology has created the new OnePass™ Nano-Ceramic Straightening Iron.

The only iron in the world that delivers salon smooth hair at home:

- ▶ Super hydrating Silicon strips smooth and nourish hair in seconds.
- ▶ Unique Teflon coating straightens hair gently, limiting damage.
- ▶ Genuine ONE-PASS technology leaves even curly, coarse hair beautifully smooth with JUST one pass.
- ▶ BioCeramic '5 second' heaters create instant, gentle, controlled heat every time.
- ▶ Nano-Ionic™ mineral technology conditions from root to tip.

The New OnePass™ Straightening Iron.

The ONLY way to straighten and condition your hair effectively, every single day.

Used by Australia's top Hairdressers...

"No other product can offer such flawless results in straightening all kinds of hair with NO damage. The irons out-perform any other, and my staff love them. BINGO who does not want that, they go hand in hand."

Steve Corthine
Stevie English Hair

"It was better, quicker and more gentle. Other irons are just too damaging to use on hair that's processed, fine or challenged."

Darcy Stratford
