Wanted! Standby Clients Save 30% off any service you like!

One of our many gorgeous clients, Margaret Bruce, had a wonderful idea and we loved it, and know you will too. She suggested, Why don't you have a cancellation list? If a client has to cancel at the last minute, then clients like me (who are at home or not working that day) could be rung and come straight down and fill that gap for you. As I'm not working, can you do me cheaper since I'm helping you out by filling an emergency gap? Well, we'd love to help out. ALL our team loved the idea; we get bored when we have gaps in our days. SO get yourself on the standby list, email to zashhairdesign@bigpond.com your name, details, and when you are available, or you can phone reception. What a Deal!

Have you had your Free Hair Health Check?

Have you seen our Trichologist yet? You exfoliate your face, or you should every 2nd day. Have you ever exfoliated your scalp? Any scalp problems?

Brush therapy and the correct shampoo, you may need two!!! One for hair, one for scalp. Zash resident Trichologist, Carolyn Evans is still offering a Free Hair Health Check valued at \$50.

The check takes about half an hour and will offer you insight as to what is happening inside your body by looking at your hair.

New Luxury Blow-dry

Luxury Blow-dry is a revolution in treatment application—and it takes no extra time! The Luxury Blow-dry comes in a few different types depending on the enhancements your hair may need.

Colour Lock—Protects and seals colour into the hair and helps prevent fade by up to 49% so colour lasts longer. Lighter colours sparkle and darker colours will be more intensive.

3D Shine—Will give 4-6 weeks of fabulous shine and silky texture to the hair.

3D Extra Volume—Will add a volume boost that will last about 4 washes, as well as 4-6 weeks of lovely shine and texture. Great result on fine hair.

These three treatments are amazing and at only \$40! Ask in salon today.
